

Association DALO – source chiffres DHUP (ministère du logement)

Analyse de l'évolution du taux de décisions favorables prises par les commissions de médiation

Précisions de lecture :

surlignés en rose, les départements recevant plus de 1000 recours par an

surlignés en bleu les départements recevant entre 120 et 999 recours par an

non surlignés, les départements recevant moins de 120 recours par an

Les recours DALO au sens strict visent l'obtention d'un logement ordinaire

Les recours DAHO visent l'obtention d'un hébergement ou d'un logement de transition

Remarque : les statistiques communiquées par la DHUP ne permettent pas de distinguer, parmi les décisions favorables DAHO, celles qui font suite à un recours DAHO et celles qui résultent de la réorientation d'un demandeur DALO
